FAQ

DO YOU ONLY WORK ON FULL-SERVICE PROGRAMS?

Not at all. While we love supporting full-service programs, we're just as happy to help with one part of your event. Whether you simply need help sourcing the right hotel and negotiating the contract, or want support managing flights, transportation, excursions, and more, we'll tailor our services to match your needs.

IS THERE A MINIMUM GROUP SIZE?

We typically work with groups of 10 or more rooms per night, but we're always happy to talk through your needs. If your group is smaller, we can still provide support!

DO YOU CHARGE FEES FOR GROUP PLANNING?

Many of our core services, like hotel sourcing and contracting, are commissionable, meaning they may come at no direct cost to you. For more complex or full-service programs, we may charge a planning fee, which we'll always share upfront before you commit.

CAN YOU HELP WITH FLIGHTS, ACTIVITIES, OR ON-SITE SUPPORT?

Yes. We can manage flights, airport transfers, curated activities, and group dining. Whether you need light-touch coordination or hands-on execution, we can build the right level of support for your event.
